FMA UK

12 Month Magazine Subscription 2010

Just £20.85 for 12 issues

delivered to your door within the UK

From January 2010 FMA UK will be publishing a full colour 24 page magazine each month with information about research, latest treatment options, political developments and events around the UK.

We will be adding new and exciting features to the magazine to make it the premier source of printed information on all matters to do with Fibromyalgia.

To ensure you get the first and every subsequent issue please complete the form overleaf and return to address below or use the simple and easy subscription form and pay online through our website: www.fmauk.org/magazine
